

Pediatric Pain Resource Nurse Program Application

What is the purpose of the PPRN program?

- ✓ The PPRN program :
 - 1) links scientific and clinical knowledge to bedside practice.
 - 2) serves as a liaison in the patient – medical interface
 - 3) provides collegial “in-residence” expertise for staff nurses

Who is eligible for the PPRN program?

- ✓ Energetic staff nurses with a desire to have more than a working knowledge of pediatric pain.

How does the PPRN program work?

- ◆ Each PPRN candidate will participate in an organized lecture series provided by Pediatric Pain Management Services and Invited Speakers.
- ◆ Dynamic, interactive journal clubs will be held on a quarterly basis where hot topics are presented via the latest publications.
- ◆ Once credentialed, the PPRN will be recognized as one of the staff experts in pediatric pain related matters

NOTE: CEU’s are awarded at the completion of each module

Please complete the attached form and return to the PPRN Program Coordinator:

Elaine Jeffress, APRN at:
Yale University School of Medicine
Dept. of Anesthesiology
333 Cedar St, TMP-3
P.O. Box 208051
New Haven, CT 06520-8051
